toward the middle of the plate and then swung his big bat with tremendous force. The ball was smashed squarely on the seam, but the twisting cuye that Rucker had applied as it left his band made the leather describe an arc as it burtied into left field near the foul line. It looked like a sure two bagger, but Tooley, running like a deer, managed to catch it in the nick of time. The next moment Bliss forced Mowney on a sharp grounder that Tooley defives cooped, and Brooklyn's 2 to 1 victory was clinched.

It was a smart game all the way and the crowd had many chances to enthuse. The Cardinals loomed up in formidable style, easily showing why they have become factors in the National League race. In the first immag the Cardinals made a run that was due to clean hitting. Huggins opened with a slashing single to left, and after Hauser had fallen before Rucker's drops Ellis hammered a hot two bagger to right centre. Huggins seconted home and Bresnahan danced a lig on the coaching line. Konetchy, however, was fanned by Rucker, but Evans, who knocked out three hits, rolled a scratch to Daubert, Ellis reaching third. Rucker then tightened up and Mowrey left the runners.

A ratting double play by Hauser, Huggins and Konetchy disposed of the Brookiyns in the last half of this inning. After that Rucker settled down to championship form, while Slim Sallee, also a southpaw with long legs and a hewidering crossfire, held Dahlen's men at his mercy for four innings.

New York Veterans Beat Bensonburst in Heavy Scoring Match.

Remarkably good scoring was accomplished in most of the cricket games played in this vicinity yesterday. Over 300 runs were scored in the association contest at Ulmer Park, where the New York Veterans defeated the Bensonhurst eleven by a margin of 32 runs, with three wickets to spare. The batting of A. Brown and the bowling of F. F. Kelly contributed largely to this result. Brown ran up the Iron Man Joe McGinnity, former pitcher of the New York Giants, has got his fill high score of the game in a hard hit innings of managerial experience and is going to of 56, while Kelly bowled splendidly and was rewarded with a record of seven wickets. was rewarded with a record of seven wickets for 68 runs. S. Deane and C. C. Beling scored 38 and 20 respectively, while F. J. Prendergast ran up 15 before being run out. For Bensonhurst C. E. Blades ran up 30 Millon and several other Newark sporting ing men had a meeting yesterday for the purpose of forming a stock company to take over the club and franchise. The scheme went through and McGinnity will be asked to consummate the deal upon his return

for seven wickets.

The batting of J. L. Poyer was the feature of the league game at Prospect Park between the Brooklyns and the Manhattans. Owing to lack of time a draw was regis tered. Poyer ran up a not out innings of 68 out of 121 runs made by his side before os out of 121 runs made by his side before the innings was declared closed at the fall of the seventh wicket. The Manhat-tans had made 72 runs for seven wickets when time was called, double figures being registered by Adamson, H. A. Oxenham and F. Shaw. The best Brooklyn bowling figures were H. Rushton, 2 for 8; H. A. Meyer, 2 for 14, and W. Massiah, 2 for 18.

A sensational finish, in which the Kings prior to last season and is well liked by the sporting people there.

His patronage has fallen off to be almost nothing, although he used to draw from 10,000 to 15,000 on big days. When McGinnity and H. C. Smith of Chicago bought the club from Frank Farrell three seasons ago. Newark finished second to Rochester. That year Wolverton was at the head of the club and last season McGinnity took the reins alone. He did even better then, and after leading most of the last two weeks.

One of the surprises of the day was the victory of M. C. Reynolda's gray trotter Robbie B. McGregor in class C. He was fighting the flag a week ago, when the heats were in 2:23, but with J. F. Gibbons behind him he won in 2:22. Not less surprising was the performance of Zaza in the first heat of this race, which she won in 2:19\frac{1}{2}. The black mare finished flast of the field, in 2:21\frac{1}{2}, a week ago. She was too unsteady yesterday to win the race.

Judge Boardman, a prominent trotter on the track and road for ten years or more, went lame after winning the second heat in class D.
